

6 June, 2001

Dear Mr. Destanne de Bernis,

Subject: Poland Gdansk Cycling Infrastructure Project

I am pleased to inform you that the GEF has approved the medium-sized project proposal entitled *Poland Gdansk Cycling Infrastructure Project* for US\$1,000,000. Please find attached the letter of approval from the Assistant CEO of GEF dated 4 June, 2001. I would also like to take this opportunity to thank you, your office staff, and the Polski Klub Ekologiczny for the dedication and efforts involved in preparing this project.

The next step is to finalize the UNDP Project Document. This document should contain a UNDP cover page, UNDP budget, terms of reference for all relevant contracts and subcontracts, workplan, monitoring and evaluation schedule, logical framework/project planning matrix, and legal context. In the coming weeks we will be contacting the UNDP office to assist with finalization of the Project Document.

Once the UNDP Project Document is finalized, a letter will be sent from the UNDP-GEF Executive Coordinator authorizing you to sign the Project Document on behalf of UNDP and commence implementation of the project when signed by the appropriate institutions.

Should you have any questions, please do not hesitate to contact us.

Yours sincerely,

Susan Legro
Climate Change Regional Coordinator for RBEC
Global Environment Facility
